

MARYLAND BALTIMORE

MEET LOCALLY. LEARN SOCIALLY.

WE Local Baltimore

Baltimore Convention Center

February 8-9, 2019

WE Local is a Society of Women Engineers (SWE) program that was developed to bring the excitement and energy of SWE’s annual conference – on a smaller scale – to our members’ backyards around the globe through local conferences.

WE LOCAL IS COMING TO BALTIMORE!

Known as the “City of Neighborhoods,” Baltimore offers a variety of lively pockets for people to explore, see and taste. Local neighborhoods capture the city’s worldly population, from Little Italy to Greektown. Baltimore is also famous for the residence of Edgar Allan Poe, Billie Holiday, Babe Ruth and Francis Scott Key who wrote, “The Star-Spangled Banner.” It’s all about the Baltimore buzz!

Meet Locally. Support Locally.

Support WE Local conferences and gain access to future and current engineers in your area. By supporting WE Local, organizations are advocating for women to achieve their fullest potential in their careers as engineers and leaders.

Visit welocal.swe.org to learn more.

WE Local is Global

The WE Local program hosts conferences around the globe so engineers can connect locally through professional development workshops, inspirational speakers, networking opportunities and outreach activities.

Visit welocal.swe.org to get engaged, connect locally and become more involved.
