

MEET LOCALLY. LEARN SOCIALLY.

WE Local St. Louis

Hilton at the Ballpark Downtown
March 1-2, 2019

WE Local is a Society of Women Engineers (SWE) program that was developed to bring the excitement and energy of SWE's annual conference – on a smaller scale – to our members' backyards around the globe through local conferences.

WE LOCAL IS COMING TO ST. LOUIS!

St. Louis is a Midwestern community that is defined by its family-friendly neighborhoods and tight-knit communities. From downtown to the Hill, St. Louis neighborhoods are the heart of what make this city unique. From the Gateway Arch to the St. Louis Cardinals, St. Louisans are loyal to their hometown's charm and sport teams. With its low cost of living, it's no surprise that 20 Fortune 500 companies are based in Missouri.

Meet Locally. Support Locally.

Support WE Local conferences and gain access to future and current engineers in your area. By supporting WE Local, organizations are advocating for women to achieve their fullest potential in their careers as engineers and leaders.

Visit welocal.swe.org to learn more.

WE Local is Global

The WE Local program hosts conferences around the globe so engineers can connect locally through professional development workshops, inspirational speakers, networking opportunities and outreach activities.

Visit welocal.swe.org to get engaged, connect locally and become more involved.
