

2020 WE Local Europe Speaker Marketing Toolkit

Congratulations and welcome to the WE Local Speaker family! This WE Local Europe Speaker Marketing Toolkit is designed to help you make the most of your experience with WE Local and includes helpful links as well as “copy and paste” text for promoting and sharing this amazing accomplishment. We hope our enthusiasm about your upcoming session is contagious and that you’ll be inspired to share your speaking gig at WE Local Europe with your network!

There are several ways to promote your session which include:

Social Media

Get Social with SWE and WE Local Europe by posting on your affiliate's, university's or company's social media platforms. By connecting and tagging (using @) with SWE on social media, you are providing SWE the opportunity to interact with you from its very own social platforms. Plus, you are helping attract new/existing audiences to the WE Local Europe conference! SWE's platforms include:

- [Instagram](#),
- [Pinterest](#),
- [Facebook](#),
- [LinkedIn](#),
- [Twitter](#)

Blog/Post

You do not need a blog site to share about WE Local Europe, but if you have one, why not consider sharing your breakout session? If you have a LinkedIn account, you can also “blog” by “publish(ing) an article”. It's that simple!

Public Relations

Contact your hometown or current city's local media to highlight your contributions to SWE. By engaging with your local media, you are helping SWE spread awareness within the community.

WE Local Europe Agenda Website

Use this helpful link to discover the WE Local Europe agenda! When promoting WE Local London, don't forget to point a reader in the right direction of the conference agenda. Link below:

What is WE Local?

WE Local is a Society of Women Engineers (SWE) national and global program that brings together participants in all stages of their collegiate and professional journey. The program hosts conferences around the globe so engineers can connect through professional development breakout sessions (like mine!), inspirational speakers, networking opportunities and outreach activities. Learn more at <https://welocal.swe.org/>.

What is SWE?

SWE, founded in 1950, is the world's largest advocate and catalyst for change for women in engineering and technology. The associations mission is to empower women to achieve full potential in careers as engineers and leaders, expand the image of the engineering and technology professions as a positive force in improving the quality of life, and demonstrate the value of diversity and inclusion.
