

2020 WE Local India Speaker Marketing Toolkit

Congratulations and welcome to the WE Local Speaker family! This WE Local India Speaker Marketing Toolkit is designed to help you make the most of your experience with WE Local and includes helpful links as well as “copy and paste” text for promoting and sharing this amazing accomplishment. We hope our enthusiasm about your upcoming session is contagious and that you’ll be inspired to share your speaking gig at WE Local India with your network!

There are several ways to promote your session which include:

Social Media

Get Social with SWE and WE Local India by posting on your affiliate's, university's or company's social media platforms. By connecting and tagging (using @) with SWE on social media, you are providing SWE the opportunity to interact with you from its very own social platforms. Plus, you are helping attract new/existing audiences to the WE Local India conference! SWE's platforms include:

- [Instagram](#),
- [Pinterest](#),
- [Facebook](#),
- [LinkedIn](#),
- [Twitter](#)

Blog/Post

You do not need a blog site to share about WE Local India, but if you have one, why not consider sharing your breakout session? If you have a LinkedIn account, you can also “blog” by “publish(ing) an article”. It's that simple!

Public Relations

Contact your hometown or current city's local media to highlight your contributions to SWE. By engaging with your local media, you are helping SWE spread awareness within the community.

WE Local India Agenda Website

Use this helpful link to discover the WE Local India agenda! When promoting WE Local Bengaluru, don't forget to point a reader in the right direction of the conference agenda. Link below:

Graphics

Posts with graphics get more visibility and interaction! So, be sure to use a WE Local Bengaluru shareable graphic or photo when promoting WE Local India. They can be found here:

- Graphics: <https://welocal.swe.org/about/promote-we-local/>
- Photos: <https://www.flickr.com/photos/68577325@N04/albums/>

If you have any questions about this toolkit or are looking for promotional assistance outside of its contents, please contact marketing@swe.org.

Social Media

Replace red text below with your information. **Bonus:** If you tag @SWEIndia, SWE can respond and retweet your communications to their followers.

Pro Tip: Tags will not pop up if you copy and paste the posts below. Please enter tags manually while posting on social media.

Headline: I have been Selected to Speak at WE Local India Conference

It is with excitement; I announce that I will be a 2020 WE Local Bengaluru speaker. Speaking at the WE Local India conference is an exciting opportunity for me to share my [professional/personal] experience with like-minded individuals! This year, WE Local India will be held at Sheraton Grand Bengaluru Whitefield Hotel & Convention Center on Thursday, 2 April - Friday, 3 April, 2020.

During WE Local Bengaluru, I will be speaking to women and men throughout India about [insert session title]. My presentation will focus on [presentation description]. Breakout sessions play a crucial role in providing a diverse array of development tools for women engineers with a range of backgrounds and experience levels.

[Add a quote here about why you're looking forward to presenting at WE Local].

Registration for WE Local India, along with information about the complete agenda lineup of educational and networking opportunities is available at <https://welocal.swe.org/bengaluru/>.

--

What is WE Local?

WE Local is a Society of Women Engineers (SWE) national and global program that brings together participants in all stages of their collegiate and professional journey. The program hosts conferences around the globe so engineers can connect through professional development breakout sessions (like mine!), inspirational speakers, networking opportunities and outreach activities. Learn more at <https://welocal.swe.org/>.

What is SWE?

SWE, founded in 1950, is the world's largest advocate and catalyst for change for women in engineering and technology. The associations mission is to empower women to achieve full potential in careers as engineers and leaders, expand the image of the engineering and technology professions as a positive force in improving the quality of life, and demonstrate the value of diversity and inclusion.

About SWE

The Society of Women Engineers (SWE), founded in 1950, is the world's largest advocate and catalyst for change for women in engineering and technology. The not-for-profit educational and service organization is the driving force that establishes engineering as a highly desirable career aspiration for women. To ensure SWE members reach their full potential as engineers and leaders, the Society offers unique opportunities to network, provides professional development, shapes public policy and provides recognition for the life-changing contributions and achievements of women engineers. As a champion of diversity, SWE empowers women to succeed and advance in their personal and professional lives. For more information about the Society, please visit www.swe.org or call 312.596.5223.
