Dear WE Local Bengaluru Speaker,

Congratulations! We are excited to have you on board as a speaker at our virtual WE Local Bengaluru Conference. WE Local Bengaluru is a life-changing, two-day experience that features invaluable ways to connect, learn about career opportunities, and participate in professional development programming. The conference virtually brings together women from across the country including university students, individuals in academia, and professionals who are studying or working in engineering and technology fields.

We hope our enthusiasm about your upcoming session is contagious and you’ll be inspired to share your participation with your peers. To help promote your session, we’re proud to offer the following resources:

- News release template
- Suggested tweets
- Proposed Facebook posts
- LinkedIn announcement language

This toolkit is designed to help you make the most of your time at WE Local Bengaluru and share this amazing accomplishment with your contacts. Please let us know how you leveraged these items to promote your session by e-mailing SWE’s Social Media Manager, at socialmedia@swe.org.

See you at WE Local Bengaluru!

About SWE

The Society of Women Engineers (SWE), founded in 1950, is the world's largest advocate and catalyst for change for women in engineering and technology. The not-for-profit educational and service organization is the driving force that establishes engineering as a highly desirable career aspiration for women. To ensure SWE members reach their full potential as engineers and leaders, the Society offers unique opportunities to network, provides professional development, shapes public policy, and provides recognition for the life changing contributions and achievements of women engineers. As a champion of diversity, SWE empowers women to succeed and advance in their personal and professional lives. For more information about the Society, please visit www.swe.org or call +1.312.596.5223.
