TIPS & BEST PRACTICES

TIPS & BEST PRACTICES

- **PREPARE YOUR SUBMISSION IN ADVANCE** – Read this guide in its entirety and collect all your session information and speaker information before beginning the submission process.
- **AVOID THE NUMBER ONE COMPLAINT** – The number one complaint from session attendees is that session content does not match the description and learning outcomes. Therefore, take time to finalize session content before submitting your proposal.
- **SWE PRIORITIZES DIVERSITY** – We encourage participation by speakers from backgrounds that are underrepresented in engineering and technology.
- **SEEKING INTERMEDIATE & ADVANCED TOPICS** - SWE is actively looking for and encourages you to submit intermediate and advanced level content.
- **MERGE SESSIONS** - It is common for SWE to receive multiple proposals on the same topic, so be sure your session has a unique perspective. If not, speakers may be asked to merge their session with another session with the same topic.
- **SUBMIT SESSION IN FINAL STATE** - Changes cannot be made once the CFP closes.
- **BIAS-FREE LANGUAGE** - Use [bias-free language](#) as articulated by the American Psychological Association; See the Publication Manual of the American Psychological Association style, 7th edition, Chapter 5 for tips about how to reduce bias.
- **GET FEEDBACK** - Ask an experienced colleague to preview your proposal for clarity, concision, and interest.
- **PRESENTER LIMITS** - To provide a diverse exposure to speakers, a speaker will only be selected for one session (panel discussions may present special cases).
- **NO SALES PITCHES** - Proposals are more likely to be selected if they do not include organization names because it flags the session as a “sales pitch.” In general SWE does not accept Breakout Sessions that are too heavily company-promotional.

HOW TO SUBMIT A BREAKOUT SESSION PROPOSAL TO WE LOCAL PRAGUE 2025

- ❖ Access the [online Cadmium submission portal](#) to submit your session proposal. The sections and questions below closely mirror the application content within Cadmium.

 - (5-points) Being relevant and interesting

LEARNING OUTCOMES Task

- 1-3. * **LEARNING OUTCOMES** (5-points) – Learning outcomes are measurable statements that describe what attendees should be able to do after participating in your session. Each session is evaluated based on the learning outcomes **being clearly stated and achievable with instruction.**

Each learning outcome should start with an imperative verb (e.g., “*Define* clean hydrogen,” “*Explain* the common pitfalls of imposter syndrome,” etc). Refer to the table below for examples of suitable verbs to begin each learning outcome.

Listen & Learn Lectures and Engaged Exchange Panels require 3 Learning Outcomes.

Bios should be written in third person, using complete sentences, e.g., "Jane Doe is CEO of Such N Such Company. She has 20 years of experience on..." **NOTE:** Reviewers will view these bio(s), so be sure these bio(s) demonstrate presenter qualifications on this particular session topic.

For an example of conference-appropriate bios, please refer to the [WE23 Keynote Speaker Bios](#). Remember that Breakout Session Speaker Bios are limited to 150 words maximum.

If you are submitting multiple sessions on different topics, you should submit a tailored, topic-specific bio for each session. If your session is selected for presentation at WE Local Prague 2025, you will have the option later to refine your speaker bio. In the unlikely event that you have multiple sessions selected for presentation at WE Local Prague 2025, SWE will publish one single speaker bio for each speaker in the conference program.

VIDEO (optional): Use EITHER the FILE UPLOAD Task -OR- the LINK INPUT Task

1. **VIDEO** (0 points) - Submit a video (maximum 90 seconds) illustrating the session topic and demonstrating the public speaking expertise of the speaker(s). This may be a new video pitch, or a video excerpt from a past speaking event. You may submit a video file (max. 90 seconds), a streaming link to a video (max. 90 seconds), or neither.

SPEAKER INFORMATION

1. *** SPEAKER INFORMATION** (0 points) - For each presenter, submit the required information listed below. The submitter may either enter info for all speakers, or may enter speakers' emails and send them each a personalized login link where they can enter their own info.

Listen & Learn Lectures and **Snap Sessions** must have 1-2 Speakers.

Engaged Exchange Panels must have 1 Moderator + 2-4 Speakers, i.e. 3-5 Presenters total.

All sessions may *optionally* enter 1-5 Auxiliary Contacts, who are extra persons/email addresses who will be notified whether this session is accepted for presentation at WE Local Prague 2025. **NOTE:** Submitters are not automatically notified. If you are a Submitter but not a Presenter, and you wish to be notified whether this session is accepted, you must add yourself here as an Auxiliary Contact. Regardless of role, **all persons listed in this Task will be notified whether this session is accepted** for presentation at WE Local Prague 2025. However, Auxiliary Contacts will not necessarily be kept in the loop about subsequent logistical steps such as the Session Agreement Form, etc – steps which are primarily the responsibility of Presenters themselves.

IMPORTANT: The first person listed in this Task functions as Team Lead. If this session is accepted for presentation at WE Local Prague 2025, the Team Lead is the one who will need to complete the Session Agreement Form to accept or decline the invitation to present this session. In other words, the Team Lead

should be a responsible email-checker, and most likely an active Presenter, not an Auxiliary Contact. Once you have entered your Presenters/Contacts below, use the up/down arrows on the right to rearrange them and ensure the person you want to act as Team Lead is listed first.

- a. First and last name
- b. Email address
- c. Role in this Session: Speaker / Moderator [Panels only] / Auxiliary Contact
- d. Phone number
- e. City and country
- f. Title/position
- g. Company/organization
- h. Gender (includes Prefer Not To Answer option)
- i. Racial or cultural group (includes Prefer Not To Answer option)
- j. Member of the LGBTQ+ community? (include Prefer Not To Answer option)
- k. Years of experience on session topic: 1-5 / 6-10 / 11-15 / 16-20 / 20+

- m. Any accessibility requirements?
- n. Is this speaker a SWE Member?
- o. Is this speaker a member of any SWE Affinity Groups? Check all that apply.
- p. Bio - **NOTE:** This may be different from the Session-Specific Bio you submitted above. This is the bio that will be published if your session is accepted, so it should be a generalized professional bio. Reviewers will not see this bio nor any of your personal info submitted in this Speaker Information Task.

FINALIZE YOUR SUBMISSION using the SUBMIT button!

VERY IMPORTANT! To submit your session, be sure to click **SUBMIT**. Merely clicking SAVE will freeze the submission in "Active" or Incomplete status, meaning it will not be reviewed and will not be eligible for presentation at WE Local Prague 2025. Avoid disappointment by ensuring that you click **SUBMIT** in order to fully finalize your submission.

How do I know the submission went through? Immediately after submission, you as submitter will receive a confirmation email, and the system should invite you to enter optional feedback on your submission experience via a blue, handwritten-style graphic on the upper right. And, at any time after submitting, you will be able to see the submitted proposal in your Dashboard, under the PROPOSALS section, showing "Status: Complete (Submitted mm/dd/yyyy, hh:mm)."

OPTIONAL EDITS + HOW TO WITHDRAW A PROPOSAL

It is possible to edit in-progress or submitted sessions any time up until the submission deadline. While logged in to Cadmium, click into your existing proposal submission. Near the top, there is a bar that says Home / Proposal / Task List.

- Click Proposal to **edit** your Title or Session Type (Lecture / Panel / Snap / Workshop).
- Click Task List to **edit** any of your session content.
- Click Proposal, then in the Proposal Status Dropdown menu, select Withdrawn, and finally click the Update Proposal button, in order to **withdraw** your session.

SPEAKER NOTICE & FAQs

NOTICE FOR ALL SPEAKERS

- All WE Local speakers are volunteers who provide their expertise and time at no cost to SWE.
- If accepted, speakers will be provided with a discount code for registration.
- For any general questions about the WE Local Prague conference, contact SWE at welocal@swe.org. For any specific questions about the Cadmium portal or how to submit to the WE Local Prague 2025 CFP, contact SWE at cfp@swe.org

FREQUENTLY ASKED QUESTIONS

1. **Can I submit more than one proposal?**

You may submit multiple proposals on different topics. To provide opportunities to as many speakers as possible, SWE tends not to accept more than one session per person. But submitting multiple proposals on distinct topics may increase your chances of being selected.

2. **Can I submit identical or similar proposals under different tracks?**

No. Submitters must identify the one single track which best fits their session content. Please **refrain** from submitting similar topics on multiple paths (e.g., a similar “imposter syndrome” session as both a Track 1 Lecture and a Track 4 Snap Session). Only in very rare cases do the review and selection processes recommend a new track, distinct from what the submitter proposed. If one submitter submits identical or substantially similar sessions to multiple tracks, these submissions will not be considered.

3. **Does WE Local accept speakers who do not identify as women?**

Yes. We accept submissions from all gender identities and encourage submissions from groups that are underrepresented in engineering and technology.

4. **Do speakers need to be SWE members?**

Speakers do not need to be SWE members to submit a proposal or speak at the conference.

5. **How do I participate in the Poster Competition?**

The Poster Competition is entirely separate from the CFP Breakout Session process. Visit welocal.swe.org or contact us at welocal@swe.org to learn more about the Poster Competition.

6. **How do I submit a keynote presentation proposal?**

Keynote speaker selection is entirely separate from the CFP Breakout Session process, and usually occurs at least one year before the conference. Please visit welocal.swe.org to learn more about the keynote speaker nomination process.

7. **Does SWE offer an honorarium to CFP Breakout Session presenters?**

No. Presenters selected through the CFP submission process must self-fund their travel, lodging, and all other expenses. SWE does not reimburse costs or offer any stipends or speaker fees. However, SWE does provide a discount code to all speakers selected through the WE Local CFP, which allows discounted registration for their WE Local conference.
